

SOGO Squirts Week 1

A is for Adventure!

Draw yourself doing your favourite outdoor activity. Why do you love this activity so much?

Adventure Challenge!

Go on a walk hunting for the letter "A". Take a walk through your neighbourhood, starting and ending at your house. Look for the letter "A" on signs, houses, and cars. Remember not to touch the letters, only find them with your eyes! Count how many you find. Let us know how many you find, and how many blocks you searched on the SOGO Adventure Running facebook page!
