# Explorer Binoculars

Lets make binoculars and take them exploring!  
(Instructions on Parent Page)

## Walking Adventure

Go on a walking hunting for the letter "E" and number "5".  
Take a walk through your neighbourhood, starting and ending at your house. Look for the letter "E" and number "5", on signs, houses, and cars. Remember not to touch the letters, only find them with your eyes! Tally count how many you find. Let us know how many you find, and how many blocks you walked on our facebook page!

Letter "E"	Number "5"

# Orienteering@Home Challenge

Orienteering flags are the shape of a square. The square is made up of 2 triangles put together. One of the triangles is orange and the other is white. Play a game of find and seek! Write which flag was the most challenging to find. Which flag was the most challenging to find?
